NOTICE: NGA will include a generic certificate of attendance in the Conference packet at no cost. This certificate will be accepted by the Center for Guardianship Certification for their recertification, and it may be accepted for other purposes for which you apply on your own. However, if you require a specific certificate of attendance for pre-approved state-specific guardianship, legal, or social work credits, you will need to order that certificate and pay the appropriate fee. Fees for these specialized certificates are based in part on the amount NGA must pay to have the sessions accredited. Fees may be paid in advance by completing the Certificate Order form. Click here for Order Form.
