If We Are Still Here on Monday . . .

Marilyn G. Pepper, JD, NCG, Louisiana Guardianship Services, Inc.

An inspiring talk of personal survival and the challenges of being a guardian in the aftermath of Hurricane Katrina. Mrs. Pepper and her husband, both in their 70s, evacuated their home in low-lying Chalmette, southeast of New Orleans, and weathered the storm with their daughter, a nurse manager at Memorial Hospital, the site of several alleged mercy killings that later made national news. After five days, she and her husband were finally rescued by boat, only to be deposited on the interstate with crowds of other homeless evacuees. Having lost their home, cars, and all their belongings, and with only the clothes on their backs, they hitch-hiked 80 miles west to the Baton Rouge airport, and found a flight to Austin, Texas. It was another week before anyone knew their whereabouts....

Should a guardian be able to sue for divorce on behalf of a ward? This is a controversial and evolving area of the law that is approached differently in different jurisdictions. This session will discuss the different approaches, along with the public policy and due process considerations that justify the various approaches. The session will also discuss the Illinois Supreme Court's recent decision in *Karbin v. Karbin*, which diametrically changed the approach in Illinois by allowing, for the first time, a guardian to sue for divorce on behalf of a ward if certain due process protections are satisfied. The interactive session will include discussion of case studies that highlight the issues implicated.

8:30 am – 9:45 am **That's a Tough One: Lessons Learned from Answering the Difficult Questions Part 1**

Jeffrey Ory, ABC, APR, il Stratega

It is those questions that make us think, "Wow – that's a tough one." Questions that can be difficult or even, we think, impossible to answer. How do you prepare for situations when the difficult questions just keep coming? The key is to be ready for any situation when hard questions are asked – by family members, judges, medical professionals, community members and, sometimes, by the media. In this session you will better understand how to ace any interview, no matter who is throwing out the questions.

9:45 am – 10:00 am **Coffee Break**

10:00 am – 11:30 am **That's a Tough One: Lessons Learned from Answering the Difficult Questions Part 2**

Jeffrey Ory, ABC, APR, il Stratega

Our Silent and Live Auctions are Fun and Important!

Conference attendees always look forward to the lively auctions that add sparkle to the event and needed income to the Special Projects Fund. Donated items ranging from hand-made jewelry to fabulous vacations are auctioned to raise money for NGA to fund worthy projects that are outside of the regular budget. The annual conference scholarships for a family guardian and a public guardian come from the auction proceeds.

Even if you can't attend, you are invited to be part of the auction. Find auction information at www.guardianship.org.

Continuing Education

This conference program holds a potential of 19.5 credit hours, including 3 hours of guardianship ethics credits (see below). Because each accrediting body must approve the program prior to assigning credits, the specific number of credits accepted by each state and for each type of credit will not be definite until October. Keep in mind that not all hours will be deemed acceptable for all types of credit. Questions about continuing education credits can be sent to Kelly Dolan at education@guardianship.org or call NGA at 877-326-5992, ext. 2.

Proof of Attendance

NGA moderators will announce two codes during each session: one at the beginning and another during the session. Codes **MUST** be entered on attendance verification sheets to receive proof of attendance; should you miss one of the codes, please insert the time you arrived/left the session in place of the code. Moderators, staff and other attendees are unable to repeat these codes as this is a requirement to verify attendance for continuing education credit; falsifying information can result in loss of education hours for all attendees. Attendance forms must be completed and submitted to receive any credit; NGA strongly advises that all attendees submit attendance verification forms to document your participation should you need record of it in the future.

Verified Certificate of Attendance

The conference registration includes a verified certificate for every attendee who submits an attendance verification sheet which uses a code system for each session. This certificate can be submitted as proof of attendance to areas of education where NGA did not seek preapproval.

Guardianship Credits

NGA's conference is approved for guardianship continuing education credits by the Center for Guardianship Certification (CGC), California Fiduciary Bureau and Texas Guardianship Certification. The CGC has approved 3 of these hours of ethics credits. The verified certificate is accepted as proof of attendance for these organizations. NGA will also be applying to CE Broker (Florida Public Guardian Office) and Professional Guardian Certification Board of Washington State. Certificate fees apply to receive Guardianship CEUs for Florida and Washington.

Continuing Legal Education Credits

NGA is applying to offer Continuing Legal Education credit for Louisiana. Certificate fees apply to receive a legal certificate. Individuals outside of Louisiana seeking legal credits should contact their state boards prior to the conference to see if their process requires a legal or a verified certificate. A verified certificate is included with the conference fee. If you have questions regarding legal credits, please contact Kelly Dolan at education@guardianship.org.

Social Work Credits

NGA applies for social work credits with the NASW and any states that do not accept NASW certification. For a certificate documenting the pre-approved social work credits, a fee will be required.

Issuing of Certificates

To issue your certificate in a timely manner, NGA must receive your attendance sign-in sheets (which will be enclosed in the conference packet) before you leave the conference. Certificates are downloaded online. All certificates ordered before the conference will be issued within 45 days of the conference. Attendees are urged to check their conference packets upon arrival to obtain the most current continuing education information.
